UHU®

GLUE PEN
GLUE PEN SOLVENT FREE

*Curing time may vary depending on a.o. surface, product quantity used, humidity level and ambient temperature.

PRODUCT DESCRIPTION
The fast, clean, liquid paper glue in a handy pen format. The convenient applicator ensures an economical and clean glue application without wrinkling the paper. Perfectly glues paper, cardboard and labels, is solvent free and of course cold washable.

FIELD OF APPLICATION
Suitable for glueing paper, cardboard, photos, Styrofoam® (expanded polystyrene), labels, textiles, etc.

PROPERTIES
· Convenient applicator for an easy, clean and smooth glue application
· Glues fast, clean and without wrinkling paper
· Solvent free
· Cold washable

PREPARATION
Surface Requirements: Materials to be glued must be clean, dry and free from dust and grease. One of both surfaces must be absorbent.

APPLICATION
Directions for use:
UHU Glue Pen is preferable applied and spread evenly onto the materials to be glued. The parts are put together immediately after applying the glue. The glue dries quickly. First usage: Turn the cap with the fabric tip clockwise and remove inner seal. Replace fabric tip. Squeeze tube gently and rub tip over paper. Replace cap after use.
Stains/residue: UHU Glue Pen can be easily washed out with cold water.

PHYSIOLOGICAL PROPERTIES
UHU Glue Pen is physiologically safe.

PACK SIZES
Glue pen: 50ml

STORAGE CONDITIONS
Store in a dry, cool and frost-free place.
